Standards Amended (review)

Standards Amended (administrative)

By: LAWRENCE CROW
Chair of Council

By: PATRICK WOODS
Secretary of Council

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

The Washington State Apprenticeship and Training Council (WSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship and training program in the State of Washington.

Apprenticeship programs and committees function, administer, or relinquish authority only with the consent of the WSATC and only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC.

Parties signatory to these Standards declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, Chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, Chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Sponsors shall notify apprentices of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (L&I) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement (portability agreements – see WAC 296-05-303(3)) with other apprenticeship committees for the use of apprentices by training agents that are working outside their approved geographic area. Also, if a reciprocity agreement (see WAC 296-05-327) is in place, the out-of-state sponsor may use their registered apprentices. The sponsor will ensure compliance with the provisions of any agreement recognized by the WSATC.

The Weyerhaeuser Company plant in Raymond, Washington

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (see WAC 296-05-316).

Age: **At least 18 years of age**

Education: **None**

Physical: **None**

Testing: **None**

Other: **None**

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedures (see Part D of Chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations. (WAC 296-05-316(3))

A. Selection Procedures:

Apprentices shall be selected by the established job posting procedure as outlined in the current Collective Bargaining Agreement. The senior applicant that meets all of the requirements set forth under the minimum qualifications will be selected when entering an apprentice into the first step of either the Industrial Maintenance Electrician or Industrial Millwright Program.

When deemed necessary and agreed upon by the Apprenticeship Committee and Weyerhaeuser Management, and in agreement with our Collective Bargaining Agreement, postings for a higher than First Step Apprentice will be entertained. The selection process in these cases will include the minimum qualifications, and test scores from the final testing of the respective trade to be entered. The Committee will review these tests along with documented previous training and/or experience and will credit hours for areas of

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

competencies. The Committee will then adjust the regularly laid out OJT and RSI to allow exposure and training in the areas of weakness, allowing a person to reach journey status in a shorter time period.

B. Equal Employment Opportunity Plan:

- 1. Participate in any workshops conducted by employment service agencies for the purpose of familiarizing school, employment service and other appropriate personnel with the apprenticeship system and current opportunities therein.**
- 2. Cooperation with the local school boards and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.**
- 3. Internal communication of the sponsor's equal opportunity policy in such a manner as to foster understanding, acceptance, and support among the sponsor's various officers, supervisors, employees and members and to encourage such persons to take the necessary action to aid the sponsor in meeting its obligations under these rules.**
- 4. To encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship, a sponsor shall make appropriate provision in its affirmative action plan to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.**
- 5. Utilization of journey-level workers to assist in the implementation of the sponsor's Equal Employment Opportunity Plan.**
- 6. Granting advance standing or credit on the basis of previously acquired experience, training, skills, or aptitude for all applicants equally.**

Discrimination Complaints.

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint (WAC 296-05, Part D).

IV. TERM OF APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours or 12 months of work experience in each occupation identified in these Standards as apprenticeable. The term of apprenticeship must be stated in hours or months of employment.

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

The term of apprenticeship shall be 8000 hours of reasonably continuous employment.

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship. Advance credit/standing will not reduce the initial probationary period. The initial probationary period:

- Is the period following the apprentice's acceptance into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
- Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

The initial probationary period shall not exceed the first 240 hours of employment as a registered apprentice.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction. (see WAC 296-05-316(5))

In no case may the ratio exceed one (1) apprentice for each journey level worker per shift

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

VII. APPRENTICE WAGES and WAGE PROGRESSION:

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

Step	Number of hours/months	Percentage of journey-level rate
1	0000 – 1000 hours	74.0%
2	1001 – 2000 hours	75.5%
3	2001 – 3000 hours	78.0%
4	3001 – 4000 hours	80.5%
5	4001 – 5000 hours	83.0%
6	5001 – 6000 hours	88.0%
7	6001 – 7000 hours	90.0%
8	7001 – 8000 hours	93.0%

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

VIII. WORK PROCESSES:

The apprentice shall receive on the job instruction and experience as is necessary to become a qualified journey-level worker versed in the theory and practice of the occupation covered by these Standards. The following is a condensed schedule of work experience, which every apprentice shall follow as closely as conditions will permit.

Employers/training agents shall only use registered apprentices to perform the work processes as stated in this section. (WAC 296-05-003 - Definitions)

<u>A. Industrial-Maintenance Electrician:</u>	<u>Approximate Hours</u>
1. In-plant maintenance and installation Electrical installation as defined by the National Electrical Code.	1800
2. Motors and generators a. Dismantling, removing windings, checking physical conditions. b. Winding, forming, taping, installing and connecting c. Cleaning, painting, varnishing, baking d. Assembly and testing e. Repair and maintenance f. Internal and external connections to change direction of rotation and speed, and for a change of supply voltage g. Motor setting, drives, pulleys, gears, coupling devices h. Related mechanical equipment: traction units, cranes, winches, and hoists i. Rigging, hoisting, signals and staging	500
3. Controls..... Manual and automatic, including magnetic and solid state	1200
4. Trouble shooting a. Circuit analysis b. Use of test equipment c. Emergency repairs for temporary maintenance of service	1000
5. Electronics training..... Electronics training to include electronic math, basic DC circuits, test instrument usage and theory, discrete device theory.	2000

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

ANY OF THE FOLLOWING OPTIONAL PROCESSES ARE REQUIRED FOR COMPLETION OF APPRENTICESHIP PROVIDED THEY TOTAL 1500 HOURS.

- 6. Power distribution800**
 - a. Inside and outside, high and low voltage distribution systems maintenance and replacement.**
 - b. Transformer connecting, testing and repairing**
 - c. Switch gear and load centers, maintenance and repair**
 - d. Wiring, maintenance repair and adjustment of control panels, instrument and relays.**

- 7. Welders, welding200**
 - a. Soldering, brazing, welding (acetylene)**
 - b. Welding (electric)**
 - c. Maintenance and repair of welding equipment**

- 8. Rectifiers600**
 - a. Installing, replacing, and testing rectifier units**
 - b. Repairing related equipment**

- 9. Meters.....200**
 - a. Testing meters**
 - b. Rebuilding meters**
 - c. Minor repair**
 - d. Installation**
 - e. Calibration**

- 10. Batteries300**
 - a. Handling, testing, storing maintenance**
 - b. Minor repairs, terminals, cases, electrolyte**
 - c. Rebuilding**

- 11. Signal systems.....400**
 - a. Installation**
 - b. Testing**
 - c. Service (minor)**
 - d. Overhaul**

- 12. Lighting.....600**
 - a. Maintenance of indoor and outdoor lighting, general and special**
 - b. Set-up operation, maintenance, dismantling, and storing of temporary and emergency lighting and portable power plants.**

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

Total Hours: 8000

The remaining work time necessary to complete the apprenticeship program shall be applied according to the apprentices' training needs, and the requirements of the job as determined by the Apprenticeship Committee and employer.

HAZARDOUS WORK:

- 1. Safety training on the specific hazards shall precede all work assignments. In hazardous areas or on energized equipment work shall not be performed on or near energized equipment if such service or equipment can be disconnected.**

Temporary safety grounds shall be installed during such work and disconnected devices shall be identified by safety tags. Work on signal systems, control systems, or other equipment energized at 50 volts or less shall not be considered hazardous under normal conditions.

- 2. Where work must be done on energized lines or equipment, an apprentice must work under the direct supervision of a journey-level worker.**
- 3. Software maintenance may be done by apprentices after the first period, 6 months.**

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

B. <u>Industrial Millwright:</u>	<u>Approximate Hours</u>
1. General maintenance	2000
a. Blueprint reading	
b. Shop math	
c. Hand and power tools	
d. Trouble shooting	
e. Welding-arc and gas	
f. Rigging, hoisting, signals and staging	
g. Equipment installation	
h. Concrete and steel bases	
2. Maintenance and repair of machinery.....	2000
Dismantle, rebuild, repair, assemble and install plant	
machinery	
3. Lubrication	400
Oils and greases	
4. Carpentry.....	300
5. Auto Mechanics.....	300
Forklift	
6. Machine shop practice.....	300
Hacksaw, lathe, key seater	
7. Hydraulics.....	1200
Pumps, piping system, valves, cylinders, motors	
8. Pneumatics.....	1000
Piping valves, cylinders, compressors	
9. Fire systems	300
Dry Valves, sprinklers	
10. Steam systems.....	<u>200</u>
Total Hours:	8000

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

11. Elective Work Processes:

An employee or employer desiring to upgrade in certain phases of the trade may assign or select work in one or more of the following electives: Hours worked under an elective shall be counted in lieu of hours in the major work processes.

- a. Electrical troubleshooting200**
- b. Hydraulic control systems200**

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

The apprentice must attend related/supplemental instruction. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not to be paid for time so spent, unless otherwise stated in these Standards.

The sponsor/training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

In case of failure on the part of any apprentice to fulfill this obligation, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to L&I on a quarterly basis for verifying attendance and industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any apprentice, not being paid to attend, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

The methods of related/supplemental training must consist of one or more of the following:

- ☒ (X) Supervised field trips
- ☒ (X) Approved training seminars
- ☒ (X) A combination of home study and approved correspondence courses
- ☒ (X) State Community/Technical college
- ☐ () Private Technical/Vocational college
- ☐ () Training trust
- ☐ () Other (specify)

144 Minimum RSI hours per year, (see WAC 296-05-305(5))

Additional Information:

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

- A. During the related classes a standard first-aid training course shall be given to the apprentice when such a course is available.
- B. Related training shall cover the following subjects:

Industrial Millwright

1. Industrial safety
2. Basic carpentry
3. Basic mechanics
4. Tools, precision, hand and portable power
5. Rigging, hoisting, signals and staging
6. Equipment, stationary
7. Materials, applicable to the trade
8. Shop mathematics
9. Shop blueprint reading, sketching and layout
10. Hydraulic and pneumatic systems
11. Welding, arc and acetylene
12. Basic machine shop practices
13. Steam systems
14. Water systems
15. Pipefitting practices
16. Metallurgy
17. Troubleshooting techniques

Industrial Maintenance Electrician

1. Fundamental electricity
2. Fundamental mechanical principles
3. Mathematics
4. Instrumentation
5. Federal, state, and local electrical laws, codes and rules
6. Blueprint reading, electrical drawings, pictorial, block, one-line and schematic diagrams
7. Industrial electrical safety
8. Relay control
9. Programmable logic control
10. Basic DC and AC electronics
11. Test instruments
12. Computers and computer math
13. Rigging, hoisting, signals and staging

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

Sponsors may include in this section requirements and expectations of the apprentices and training agents and an explanation of disciplinary actions that may be imposed for

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

noncompliance. The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the committee's action with the WSATC (as described in WAC 296-05-009).

Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement. Could include temporarily not being allowed to work, go to school or take part in any activity related to the Apprenticeship Program until such time as the Apprenticeship Committee takes further action.

Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. (as described in WAC 296-05-009).

A. General Procedures

- 1. If an apprentice passes all testing and petitions for early advancement to journey-level worker and if the committee unconditionally grants this request, the advancement date will be the date of completing the test.**
- 2. Failure to maintain employment with the Weyerhaeuser Company in Raymond will result in automatic cancellation of the apprenticeship agreement.**
- 3. On six-month intervals an Apprentice must take the Final Step Test on or before the six-month anniversary date (Example: From 1-6-92 to 7-6-92). If the Apprentice does not pass the final test for any one six-month period, the Apprenticeship Committee will meet to review the Apprentice's situation.**
- 4. At that point, the Apprenticeship Committee will issue grace time or make the decision to dismiss the Apprentice from the program. The Apprentice will have the opportunity to present his case or extenuating circumstances to the Committee for leniency.**

B. Local Apprenticeship Committee Policies

Policy for Apprenticeship Testing

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

All book testing will be administered out of our Main Front Office. When an Apprentice is ready for testing, either a book test of a final step test, he/she needs to make arrangements with the office receptionist or their delegate to schedule a test time, and a room to use for taking the test.

When an apprentice reaches the end of a step progression they will notify their immediate foreman, or the designated person, two weeks prior to the due date of the step advancement date that they are prepared to take the end of step test. The company will have the obligation to provide the test within the next 20 workdays, or the testing will be waived and the advancement will be given automatically.

All tests, except for steps 7 & 8 of the electrical apprenticeship, must be taken in one sitting. An Apprentice may not leave and come back at a later time to finish the test. If an Apprentice does not complete a test he/she will have to retake the whole test at the next sitting. A test may be taken up to three times to achieve a passing grade of 70% or above. If after the third try a passing grade is still not achieved, the Apprentice must notify the Committee, and a special meeting will be held to decide what course of action will be taken. Note: This could result in removal from the Apprentice Program.

Testing must be successfully completed on or before the due date given to the Apprentice for the current step he/she is in. If this date cannot be met, the Committee must be petitioned in writing, in advance of this date. The Apprentice must state the reason for not being able to complete all the testing for the given step, on or before the date required. The Committee will meet and respond back as to what course of action need be taken.

If a test is taken and not successfully passed, the apprentice may review the test to see which questions were missed, but may not have the correct answers shared with them. The test may be retaken the same day or at a later date. The whole test must be retaken.

After achieving a passing grade (70% or above) the apprentice may ask to review their test and inquire about the right answers for the questions missed, but only for a passed test.

All tests are closed book tests except for steps 7 & 8 of the electrical program. Programmable devices such as, calculators, PDAs, pocket computers, or cell phones are not allowed. A non-programmable calculator may be used while taking any test.

An Apprentice may receive their next set of books as soon as they successfully complete all the testing for the step they are in.

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

NOTE: Notice may be given to get material and/or books ordered in advance of this time - due to the fact that it normally takes 10-14 days to receive the material/books after placing the order.

C. Complaint and Appeal Procedures:

All approved programs must establish procedures explaining the program's complaint review process. Complaints that involve matters covered by a collective bargaining agreement are not subject to the complaint review procedures in this section.

Complaint (after initial probation completed) – WAC 296-05-009 and 296-05-316(21)

Prior to: 20 days of intention of disciplinary action by a committee/organization

- Committee/organization must notify the apprentice in writing of action to be taken
- Must specify the reason(s) for discipline, suspension, or cancellation
- Decision will become effective immediately
- Written reason(s) for such action will be sent to the apprentice

Within: 30 days request for reconsideration from the committee

- Apprentice to request local committee to reconsider their action

Within: 30 days of apprentice's request for reconsideration

- Local committee/organization must provide written notification of their final decision

If apprentice chooses to pursue the complaint further:

Within: 30 days of final action

- Apprentice must submit the complaint in writing to the supervisor (L&I)
- Must describe the controversy and provide any backup information
- Apprentice must also provide this information to the local committee/organization

Within: 30 days for supervisor to complete investigation

- If no settlement is agreed upon during investigation, then supervisor must issue a written decision resolving the controversy when the investigation is concluded

If the apprentice or local committee/organization disputes supervisor decision:

Within: 30 days of supervisor's decision, request for WSATC hearing

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

- Request must be in writing
- Must specify reasons supporting the request
- Request and supporting documents must be given to all parties
- WSATC must conduct the hearing in conjunction with the regular quarterly meeting

Within: 30 days after hearing

- WSATC to issue written decision

XI. COMMITTEE – RESPONSIBILITIES AND COMPOSITION

NOTE: The following is an overview of the requirements associated with administering an apprenticeship committee and/or program. These provisions are to be used with the corresponding RCW and/or WAC.

The sponsor is the policymaking and administrative body responsible for the operation and success of this apprenticeship program. A committee is responsible for the day-to-day operations of the apprenticeship program and they must be knowledgeable in the process of apprenticeship and/or the application of Chapter 49.04 RCW and Chapter 296-05 WAC. Sponsors must develop procedures for:

- A. Committee Operations (WAC 296-05-316): (Not applicable for Plant Programs)
Convene meetings at least three times per year of the program sponsor and apprenticeship committee attended by a quorum of committee members as defined in the approved Standards. If the committee does not indicate its definition of quorum, the interpretation will be “50% plus 1” of the approved committee members. Conference call meetings may be conducted in lieu of regular meetings but must not exceed the number of attended meetings and no disciplinary action can be taken during conference call meetings.
- B. Program Operations (Chapter 296-05 WAC - Part C & D):
 1. The sponsor will record and maintain records pertaining to the local administration of the apprenticeship program and make them available to the WSATC or its representative on request.

Records required by WAC 296-05-400 through 455 (see Part D of Chapter 296-05 WAC) will be maintained for five (5) years; all other records will be maintained for three (3) years.

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

2. The sponsor will submit to L&I through the assigned state apprenticeship coordinator the following list:

Forms are available on line at

<http://www.lni.wa.gov/TradesLicensing/Apprenticeship/FormPub/eForms> or from your assigned apprenticeship coordinator.

- Apprenticeship Agreement Card – within first 30 days of employment
 - Authorization of Signature - as necessary
 - Authorized Training Agent Agreements (committee approving or canceling) – within 30 days
 - Apprenticeship Committee Meeting Minutes – within 30 days of meeting (not required for Plant program)
 - Change of Status – within 30 days of action by committee, with copy of minutes
 - Journey Level Wage – at least annually, or whenever changed
 - Revision of Standards and/or Committee Composition - as necessary
 - RSI (Quarterly) Reports:
 - 1st quarter: January through March, by April 10
 - 2nd quarter: April through June, by July 10
 - 3rd quarter: July through September, by October 10
 - 4th quarter: October through December, by January 10
3. Adopt, as necessary, local program rules or policies to administer the apprenticeship program in compliance with these Standards that must be submitted for L&I approval and updating these Standards. The L&I apprenticeship program manager may administratively approve requests for revisions in the following areas of the Standards:
 - Program name
 - Section III: Conduct of Program Under Washington Equal Employment Opportunity Plan
 - Section VII: Apprentice Wages and Wage Progression
 - Section IX: Related/Supplemental Instruction
 - Section XI: Committee - Responsibilities and Composition (including opening statements)
 - Section XII: Subcommittees
 - Section XIII: Training Director/Coordinator

C. Management of Apprentices:

1. Each apprentice (and, if under 18 years of age, the parent or guardian) will sign an apprenticeship agreement with the sponsor, who will then register the agreement, with L&I before the apprentice attends the related/supplemental instruction classes, or within the first 30 days of employment as an apprentice. For the purposes of industrial insurance coverage and prevailing wage exemption under RCW 39.12.021, the effective date of registration will be the date the agreement is received by L&I.

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

L&I must be notified within 30 days of program approval, of all requests for disposition or modification of agreements, with a copy of the committee minutes approving the changes, which may be:

- Certificate of completion
 - Additional credit
 - Suspension (i.e. military service or other)
 - Reinstatement
 - Cancellation and/or
 - Corrections
2. Rotate apprentices in the various processes of the skilled occupation to ensure the apprentice is trained to be a competent journey-level worker.
 3. Periodically review and evaluate apprentices before advancement to the apprentice's next wage progression period. The evidence of such advancement will be the record of the apprentice's progress on the job and during related/supplemental instruction.
 4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another, or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.
 5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
 6. Hear and adjust all complaints of violations of apprenticeship agreements.
 7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. The program will make an official presentation to the apprentice that has successfully completed his/her term of apprenticeship.

D. Training Agent Management:

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.
2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.
3. Submit approved training agent agreements to the department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval. Submit rescinded approved training agent agreements and/or the list of approved training agents to the department within thirty days of said action.

E. Composition of Committee: (see WAC 296-05-313)

Apprenticeship committees must be composed of an equal number of management and non-management representatives composed of at least four members but no more than twelve. If the committee does not indicate its definition of a quorum, the interpretation will be "50% plus 1" of the approved committee members.

Apprenticeship committees shall elect a chairperson and a secretary who shall be from opposite interest groups, i.e., chairperson-employers; secretary-employees, or vice versa; EXCEPT, this does not apply where the Registration Agency represents the apprentice(s).

For plant programs the WSATC or the department designee will act as the employee representative.

The Apprenticeship Committee shall be composed of equal representation from management and labor representing their respective groups and selected by the groups they represent.

QUORUM: Two committee members or alternates representing management and two committee members or alternates representing labor shall constitute a quorum.

Program type administered by the committee: **Individual Joint**

WEYERHAEUSER COMPANY APPRENTICESHIP COMMITTEE

The employer representatives shall be:

Paul Hanson, Secretary
51 Ellis Street
Raymond, WA 98577
